COLLEGE**

Stationery List 2009

Mount Aspiring College does not operate a stationery shop. Students will need to purchase their stationery from a commercial outlet. Some write-on notes and study booklets can be ordered through the college. Additional materials may be provided by individual departments (marked in italics) and these will be invoiced directly to you.

2009 Student Diaries will be funded by the Board of Trustees and will be issued free of charge to all students at the start of Term 1. Replacement diaries may be purchased from the office (until supplies are exhausted) at a cost of \$7.00.
